जानना चाहती हूं कि एक मई से घरेलू फोन पर जो लगभग 35 प्रतिशत की वृद्धि हुई है, क्या वह प्रभावी होने जा रही हैं? कृपया यह भी बताएं कि कितने लोग इस देश में मोबाइल सेल्युलर सर्विसिज़ का इस्तेमाल कर रहे हैं और कितने प्रतिशत लोग हैं जो केवल घरेलू फोन पर निर्भर है?

श्री अरूण शौरी :पहली बात तो यह है कि आज एक करोड़ बीस लाख सब्सक्राइबर्स मोबाइल टेलीफोन यूज़ कर रहे हैं और चार करोड़ के करीब फिक्सड लाइन सर्विसेज अवेल कर रहे हैं। दूसरी बात जो माननीय सदस्या ने कही कि क्या गवर्नमेंट इतनी कमजोर हो गई है- एक्चुअली कंप्लेंट दूसरी है। सेल्युलर ऑपरेटर्स की कंप्लेट यह है कि बी.एस.एन.एल. BSNLका नेटवर्क जो हैं, वह टोटल 96 परसेंट हैं कंट्री में और वे अपने कंपीटीशन को दबा रहे हैं। आप जानते होंगे कि पिछले 6-8 महीनों में जब से उन्होंने अपनी सेल्युलर सर्विस शुरू की है BSNL की जो "सेल वन" सर्विस है, उसके करीब 22 लाख सबक्राइबर्स बन गए हैं। इसी तरह MTNL के दिल्ली और मुम्बई में करीब 3 लाख सब्सक्राइबर्स बन गए हैं। **...(व्यवधान)..**

Telephone facilities to post offices in Rajasthan

*409. SHRI AIMADUDDIN AHMED KHAN (DURRU): Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether telephone connections have been provided to all the post offices in Rajasthan;

(b) if not, the reasons therefor;

(c) the post offices where telephone connections are yet to be provided; and

(d) by when the telephone connections are likely to be provided to these post offices?

THE MINISTER OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI ARUN SHOURIE): (a) to (d) A Statement is laid on the Table of the House.

Statement

(a) to (d) No, sir. A policy decision has been taken to provide telephone connections, in a phased manner, to all departmental post offices subject to over-all operational requirements and financial status of a departmental post office. In Rajasthan out of 1452 department post offices, telephone connections have been provided so far to 655 post offices. List of departmental post offices without telephone connection is enclosed in Table I.

Table I

List of Post Offices not having a telephone connection in Rajasthan Circle

SHRI AIMADUDDIN AHMED KHAN (DURRU): In the reply, it is stated that in Rajasthan out of 1452 Departmental Post Offices, telephone connections have been provided, so far, to only 655 Post Office. Nearly 800 Post Offices do not have this facility. In view of the fact that the Departments of Communications, It and Posts are under one Ministry, would the Minister consider having a joint effort by the three Departments to see that telephone connections are provided to the remaining Post Offices in a time-bound programme?

SHRI ARUN SHOURIE: This is a very important suggestion. I have already begun the work whereby the BSNL, MTNL, the Department of Posts and the IT Ministry should have a joint business

plan for the Department of Posts. I am certain that within two months you will see great activity in this regard. Already some work has begun. If need be, I can go into the details.

SHRI AIMADUDDIN AHMED KHAN (DURRU): I thank you for doing this work. If you can have a time bound programme for these 800 Post Offices, I will be very happy.

There is a scheme in Maharashtra and Karnataka, *i.e.* Dak Sanchar Seva where a Postman carries a mobile phone. It is a very successful scheme. Would the hon. Minister consider extending this scheme to Rajasthan as well?

SHRI ARUN SHOURIE: Sir, the Member is right, it is a very popular scheme, in which a mobile telephone, desktop telephone, is given to a part-time employee of the Postal Department. So, when he visits a house, the house, or even the village, may not have a telephone connection. But, he can dial-the person says that he wants to dial because he has got that telegram—from that mobile phone and Bill also comes on it. I saw the operation in Nasik and Shirdi. It is a very popular scheme. And, the postman or the part-time employee of the Postal Department also earns an income then of about Rs. 2,000 per month. Sir, in Rajasthan, 37 such facilities have already been started and I am told that respone is very good. In many cases, the phone calls made per day range from 50—70. But, we will try our best to extend this facility. The moment these WLL towers get extended, we will be providing this service through the Gram Sanchar Sevaks.

SHRI MATILAL SARKAR: Sir, there are a large number of applicants in Tripura applying for telephone connections. They are seeking WLL sets, but the WLL sets are in great shortage in Tripura. Will the hon. Minister assure me that WLL sets will be made available in Tripura very shortly?

SHRI ARUN SHOURIE: I will certainly enquire into this. As you know, Sir, there have been security concerns in the North East and, therefore, mobile services were not extended except in Shillong and Guwahati. But, now Government has taken a decision late last year on the recommendations of the North East Department and mobile services will be extended all over the North East.
